Make your own custom-made book!

Alumni and current students from the Master of Fine Arts program at UCF offer two week-long sessions on creative writing. Campers will learn different types and styles of creative writing, and they will have a completed book at the end of the week.

Creative Care is available for campers who cannot be picked up until later in the afternoon. Counselors will provide extra creative writing activities to campers.

Come on out for one week or two! Different exercises will be taught each week. The sessions will be held at the Student Union at UCF’s main campus with a break for lunch. Any questions? Contact Madison Bernath (mbernath@knights.ucf.edu) or Sean Ironman (sironman@knights.ucf.edu).
